Restored and Modified

For Sale – Unique 1955 Chevrolet Bel Air Nomad \$85,000

This is a truly unique classic car with understated smooth lines, inside and out. Simple, but elegant, this award winning beauty really attracts attention. A capable cruiser, this car was built for reliability and easy handling. You will love driving this one to the car shows, local or cross country. And it only has 500 miles since the new engine and many new components were installed in 2009.
